Many portions of the long-running British science-fiction television programme Doctor Who are no longer held by the BBC. Between 1967 and 1978 the BBC routinely deleted archive programmes, for various practical reasons (lack of space, scarcity of materials, a lack of rebroadcast rights). As a result of the cull, 97 of 253 episodes from the programme's first six years are currently missing ...

Last update: 10th May 2013. Fixed a mistake in handling reflection case. Finding the optimal/best rotation and translation between two sets of corresponding 3D point data, so that they are aligned/registered, is a common problem I come across. An illustration of the problem is shown below for the simplest case of 3 corresponding points (the minimum required points to solve).
