

strategic logic and political pdf

Our website is the source for the latest security and strategic research from the military's link to the academic community. The Strategic Studies Institute is the War College's premier landpower research center.

Strategic Studies Institute (SSI) | US Army War College

Subordinating the political point of view to the military would be absurd, for it is policy that has created war...Policy is the guiding intelligence, and war only the instrument, not vice-versa.

Game theory is the study of mathematical models of strategic interaction between rational decision-makers. It has applications in all fields of social science, as well as in logic and computer science.Originally, it addressed zero-sum games, in which one person's gains result in losses for the other participants.Today, game theory applies to a wide range of behavioral relations, and is now an ...

Information systems (IS) are strategic in so far as they are used to realize strategic intent. Yet, while much
has been said about aligning IS functionality with the strategic intent and how to organizationally implement
strategically aligned systems, less is known of how to successfully implement strategic change associated
with system use " a truly critical challenge within strategic IS ...
