Guide To Training Methods and Learning Activities. Trainers use a wide variety of learning activities and exercises to promote learning. It's critical that trainers master the "tools of the trade", since exercises and activities that are incorrectly used just use up valuable training time, and can even interfere with job performance once learners return to the workplace.

Huntington's disease (HD), also known as Huntington's chorea, is an inherited disorder that results in death of brain cells. The earliest symptoms are often subtle problems with mood or mental abilities. A general lack of coordination and an unsteady gait often follow. As the disease advances, uncoordinated, jerky body movements become more apparent. ...
